## **TRAINING COURSE SCHEDULE**

**K&M Training Courses start at 8am the first day of each course.** Training days typically are 8-10 hours depending on class size and student progress. As a rule, we aim to complete the course no later than 3-4pm on the last day to allow for travel time. 2-day Courses typically end closer to 5pm. Class size is limited to maintain proper student to instructor ratios. **ALL PAYMENTS AND COURSE DATES ARE NONREFUNDABLE AND NONTRANSFERABLE.**

## **LODGING**

### **K&M BUNK HOUSE**

**Bunk House accommodations are included at no additional cost to provide an enhanced learning experience for our training classes.** Students may sleep 1-3 per section/room depending on course size. Wi-Fi, cable TV and a full kitchen are provided for our guests. Bring what food, snacks and drinks you'll need, the kitchen has the utensils required to prepare your meals. Linens, pillow, towels and toiletries must be brought by our guests (twin size beds). Linens, pillows and towels will be provided for those traveling by airfare. The bunkhouse is immaculately maintained and is highly reviewed by past K&M students. Contact us with any questions or [click here for more bunkhouse information/photos.](#)

### **K&M CABIN UPGRADE**

K&M offers an exclusive private cabin for those that want to share in the K&M camaraderie by day but desire a retreat after hours! Exceptionally clean, cozy and entirely yours for your stay while enjoying K&M events! With no travel time, this peaceful cabin in the heart of the K&M Shooting Complex and is perfect if you just have to have your own place. You can also share it with few fellow shooting buddies, if you like, to reduce costs. With 3 queens and one twin bed, it sleeps 1-7 people, 8 if someone takes the couch. So whether you are joining us by yourself or want to invite you buddies, the cabin has your lodging needs covered. The cabin is also great option for couples, families, or ladies that do not care for our bunkhouse style lodging.

When you start your K&M day, a small kitchenette (fridge, microwave, and Keurig coffee maker) awaits and provides the opportunity to heat up/prepare breakfast, lunch or dinner. Guests have access to a smoker, BBQ and firepit just outside the front door as well. The cabin consists of a living area with a sofa, coffee table that doubles as a lift up dining table, robust heating and air conditioning system, Direct TV television and a fresh private bathroom. The K&M CrossFit gym and Executive Clubhouse are just steps away. All linens, pillows and towels are provided for our K&M Cabin guests. Use this [page to check availability and reserve the cabin](#) has you plan to join us at K&M Shooting Complex!

# **SHOOTING COMPLEX**

Be sure, before booking, that you can attend the event you sign up for. The K&M Cabin rental is not refundable for any reason, it cannot be cancelled. You book it, it is yours and it comes off our website! You may transfer your booking, but K&M will not assist in that process. Please email us if you transfer your booking to other attendees.

We will be at the facility/bunkhouse after 6pm the evening before the first training day. The complex will not be open to students before then. The bunkhouse is open the night before class and check out is the last day of training.

There will not be time to leave the facility during the event. Local services are 15-30 minutes away, so please bring food, refreshments and any other needed items with you for each day. During summer months it will be very hot, please begin to hydrate 24 hours in advance of the event date.

## **PRECISION RIFLE RECOMMENDED EQUIPMENT LIST**

- 308, 6.5mm, 6mm etc. or similar caliber precision rifle capable of one minute of angle accuracy \*\*\*
- Quality scope with adjustable turrets and MIL or MOA reticle
- Bipod
- Sling
- Rear Bag
- Cleaning kit
- Pen, pencil, highlighter
- Rifle data book or notebook
- Calculator

- Eye and ear protection
- Comfortable yet durable clothing (pants and long sleeved shirt recommended)
- Durable footwear
- Shooting Mat (optional)
- Water
- Food/Lunch to snack on throughout the day
- Backpack
- **Match ammunition (minimum 100-125 rounds per day)**
- Sunscreen
- Bug repellent

\*\*\* It is important that the equipment (rifle, scope, ammunition) that you are using for our events consistently meet the accuracy and adjustability requirements required. Our events/courses are very fast paced, and we don't want you or others slowed or potentially limited by the wrong equipment. **IF YOU HAVE ANY DOUBT OR JUST WANT TO CHECK WITH US PLEASE CONTACT US.** Once the event begins it is impossible to fix any deficiencies, especially if all of our house guns are rented out.

Custom GA Precision Rifles are available for rental for those attending our events. Match ammunition is also available for purchase. Please contact us well in advance to reserve house guns and ammunition.

## **PRE-COURSE HOMEWORK FOR PRECISION RIFLE STUDENTS**

Range Estimation and MIL/MOA Reading Information: (it is deep, maybe too deep – don't get intimidated)

[http://kmprecisionriflettraining.com/wp-content/uploads/2015/10/the\\_derivation\\_of\\_the\\_range\\_estimation\\_equations.pdf](http://kmprecisionriflettraining.com/wp-content/uploads/2015/10/the_derivation_of_the_range_estimation_equations.pdf)

K&M recommends that students who choose to use a ballistic application to assist with eternal ballistics review these videos before the course: <http://ballisticapp.com/?ref=app#videos> All ballistics apps use the almost the same formulas, so if you already have one you are set. If not, the Ballistic AE App has a user friendly interface and is what we recommend.

If you are using a Kestrel (optional) please see this link: <https://www.youtube.com/watch?v=lk-ur2nDjRo> and review other videos that Kestrel has done.

A quick video on how to set up your rifle scope. We use a different method, but this will be good start for the newer shooters. <https://www.youtube.com/watch?v=qiRwWIXf0Do>

Join the K&M Alumni page! This group is for people who have gone through or about to go through any of the courses at K&M Precision Rifle Training. Ask questions to our staff, network and link up with future or past students. It's a great resource! <https://www.facebook.com/groups/KMPRTAlumni/>
